ARTICLE I - DECLARATION OF TESTATOR

1.1 I, _____, resident of the State of _____, India, being of sound mind, memory, and understanding, and not acting under duress, coercion, undue influence, or misrepresentation, do hereby declare this instrument to be my Last Will and Testament (Wasiyyah) in accordance with the principles of Islamic inheritance law as interpreted by the _____ school of jurisprudence (madhab).

1.2 This Will is made in accordance with the Indian Succession Act, 1925 (as applicable to Indian Muslims), the Muslim Personal Law (Shariat) Application Act, 1937, and the relevant provisions of Islamic jurisprudence (fiqh) governing testamentary dispositions.

ARTICLE II - REVOCATION OF PRIOR WILLS

2.1 I hereby revoke all former Wills, Codicils, and testamentary dispositions heretofore made by me in any form whatsoever, and declare this to be my sole and last Will and Testament. This revocation shall apply to any prior Wasiyyah, whether registered or unregistered, and any other instrument of testamentary nature.

ARTICLE III - ISLAMIC INHERITANCE PRINCIPLES

3.1 I acknowledge that Islamic law prescribes fixed and obligatory shares (fard/fara'id) for certain heirs as ordained in the Holy Quran (Surah An-Nisa, 4:11-12, 4:176) and the authentic Sunnah of the Prophet Muhammad (peace be upon him). These prescribed shares are immutable and shall be distributed to my legal heirs as computed under the _____ school.

3.2 I declare that any testamentary bequests (wasaya) made herein are strictly limited to one-third (1/3) of my net estate and are directed exclusively to non-heirs, in compliance with the Hadith: "There shall be no bequest to an heir" (Abu Dawud, Tirmidhi). No bequest shall exceed this limit without the unanimous consent of all legal heirs after my passing.

ARTICLE IV - FAMILY MEMBERS AND LEGAL HEIRS

4.1 The following are my family members, declared for the purposes of identification of legal heirs under Islamic law:

This Will has been prepared by Wasiyat's software using rules for the _____ school of jurisprudence as selected by the testator. The distribution follows the Quranic injunctions in Surah An-Nisa (4:11-12, 176) and authentic Hadith as encoded in the platform's calculation engine. All obligatory shares (fard) have been calculated according to prescribed fractions. Any adjustments through Awl (proportional reduction) or Radd (proportional redistribution) have been applied as required under the applicable doctrine. The bequest cap of one-third (1/3) has been enforced by the software, and no bequest has been directed to a classified heir per the family data provided.
